But please, baby you can call me Cristian Gris

I'm a thief with the heart
To me it's an artBaby your eyes don't lie
I can see you want a little bit of me
In your life
I can treat you like the princess you are
But behind closed doors
We can do it all
Ladies first, when I open doors
I got an open mind, let me open yours
You can come see me while I'm on tour
