## Rosealia

## **Better Than Ezra**

Where have you gone, my Rosealia?

Into the crowd he'll never find you

If you walk real fast and you stay down low

So many times so many chances

This one could be your last You say no, no, no, the fighting has left you tired

You say no, no, no but the fighting goes on

Put on your mask wearing your cape

Put on your mask, my Rosealia

Put on your mask wearing your cape

Put on your mask, my RosealiaWhat has he done, my Senorita?

His kind of love is gonna kill ya

Do you fake a smile when you dodge the blows

So many times, so many chances

This one could be your lastYou say no, no, no the fighting has left you tired

You say no, no, no but the hurting goes on

Put on your mask wearing your cape

Put on your mask, my Rosealia

Put on your mask wearing your cape

Put on your mask, my RosealiaJealousy, can rip your heart out

And jealousy, can turn a hand into a fistYou say no, no, no the fighting has left you tired

You say no, no, no but the fighting goes on

Put on your mask wearing your cape

Put on your mask, my Rosealia

Put on your mask wearing your cape

Put on your mask, my RosealiaPut on your mask wearing your cape yeah yeah

Put on your mask wearing your cape

My Rosealia, my Rosealia Rosalie, Rosealia

Rosalie, Rosealia

Rosalie, Rosealia
