

# She's Lookin' Good

Wilson Pickett

Huh looky here  
You got the kind of lovin'  
Make a man lose his mind  
Got that little somethin'  
That makes me know that your mine looky here  
Your lookin' good your lookin' so good  
Alright your lookin' good just  
Like I knew that you would  
Alright looky here  
When ya call my name baby  
Ya call me mister clean  
I'm gonna give you lovin'  
That you ain't never seen haaa  
You lookin' good your lookin' so good alright you lookin' good  
Just like I knew that you would  
Alright looky here  
When you wear your wigs baby  
You wear your dresses tight  
You wear your foxy fur baby  
When you step out late at night  
Haaa you lookin' good haaaa  
So good looky here you lookin' good just  
Like I knew that you would alright looky here

Mama get your mojo papa get  
Your gun I'm gonna steal your  
Daughter I'm gonna be your son

Your lookin' good haaa lookin' so good looky here she lookin' good  
Just like I knew that you would alright looky here now  
Huh alright one thing ya make me alright huh make me alright  
Ya make me holler hay huh hay  
Ya make me feel good huh you make me feel good  
Looky here ya all ya make me holler haaa alright haaa
