Memories

3t

Hold on, babe
Hold on, baby
Wherever you are
This one's for you
Memories of you and me and
If this way was meant to be
I cry
Memories of you and me and
If this way was meant to be
Then why?
Growing up with you by my side
I thought that life would be so easy, yeah
Now that you're gone
And my heart stands all alone
I have realized, what it is that I'm missing
'Cos it'll not come back
Memories of you and me and
If this way was meant to be
I cry
Memories of you and me and
If this way was meant to be
Then why? Then why?
Isn't gone
Or is it true that I'm just assuming
That our hearts will never beat as one
'Cos it's so hard for me to forget
All the plans and thoughts we said
I guess, that's why it hurt me when you said
Hold on, be strong
Move on, goodbye
Goodbye, goodbye
You said
Hold on, be strong

Move on, goodbye
I've tried, oh, I've cried
But goodbye
Memories of you and me and
If this way was meant to be

I cry
Memories of you and me and
If this way was meant to be
Then why, why, why, why?
Oh, baby
Hey
It's me again
You know, I'm not much of a talker
But I just wanted to let you know
That I think about you every day
Deep in my heart I still believe
That there'll be a time
When we're together again
I love you and I miss you
Tell me why it hurts
When we still love each other?
Memories of you and me and
If this way was meant to be
I cry
Memories of you and me and
If this way was meant to be
Sweet love
Memories of you and me and
If this way was meant to be
I cry
Memories of you and me and
If this way was meant to be
Then goodbye my love
