

# Goodbye

Natalie Imbruglia

Everyday's the same  
I feel them merge  
I try to separate  
Resist the urge  
But they tell me, I'll be fine  
That it will all get better  
Just try to write it down  
Or put it in a letter  
But the words won't play  
And there's no easy way to say  
Goodbye, goodbye  
Keep my head on straight  
And don't look down  
With all I've pushed away  
I'm losing ground  
But they tell me, I'll be fine  
That it will all get better  
Just try to write it down  
Or put it in a letter

But the words won't play  
'Cause there's no easy way to say  
Goodbye, goodbye  
Goodbye, goodbye  
And from the sidelines  
Watch me fall down  
And I don't understand the things I do  
But I'll probably be fine  
As long as I keep moving  
I'll try to write it down  
So things just keep improving  
Still the words won't play  
'Cause there's no easy way to say  
Goodbye, goodbye  
Goodbye, goodbye  
Goodbye, goodbye  
Goodbye, goodbye  
Goodbye, goodbye
