Redemption

Mary Fahl

Have I committed sins
That never have been? Of course
Am I mistaken, at the root shaken
From their very source
In receipt of redemption?Have you committed crimes
In and out of times? Amen
Are you aware that there are cares
And they don't come again
In retreat from redemption?Can be granted to us
Or be granted by us
But I believe it's due us anywayIf we are to proceed
The first thing that we need is trust
And make a decision
Without any condition that we simply must
Be in receipt of redemptionA whispering wind
Precise and clear
Carries all willing to hearA whispering wind
Cleans the streets
Closely follows and completesA whispering wind
Ignites the dawn
Over our beds and then is goneOn a whispering wind
Truth is born, cleansing all
Who have swornOn a whispering wind
Redemption
On a whispering wind
Redemption
On a whispering wind
Redemption
