## New Found Glory

I'm sorry, I heard about the bad news today  
A crowd of people around you  
Telling you it's okay  
And everything happens for a reason When you lose a part of yourself to somebody you know  
It takes a lot to let go  
Every breath that you remember  
Pictures fade away but memory's forever An empty chair at all the tables  
And I'll be seein' you when all my days boil down  
But it's better where you're going anyway I'm sorry, I heard about the bad news today  
It's really hard to get through  
Tough times and long days  
But it really just depends on the season When you lose a part of yourself to somebody you know  
It takes a lot to let go  
Every breath that you remember  
Pictures fade away, but memory's forever An empty chair at all the tables  
And I'll be seein' you when all my days boil down  
For now we'll say good bye  
We know it's not the last time  
I've lost the best part of my day  
But it's better where you're going anyway An empty chair at all the tables  
And I'll be seein' you when all my days boil down  
For now we'll say good bye  
We know it's not the last time  
I've lost the best part of my day  
This is the last thing I, I will remember  
It's better where you're going anyway
