Phoenix

First Decree

Like a Phoenix from the ashes
We will fly into the sun
We will rise frome the ashes
You will see what we've become
We have stripped our minds of failure
Left our troubled thoughts behind
Reaching down and digging deeper
With a legacy to findThis is our time to...
A time to hold on
Our light will shine through...
A phoenix will rise
This is our time to...
A time to hold on
Our light will shine through...
A phoenix will riseTaking flight to skies of freedom
Climbing up with no defeat
Shouting with resounding voices
Now we are finaly freeThis is our time to...
A time to hold on
Our light will shine through...
A phoenix will riseThis is our time to...
A time to hold on
Our light will shine through...
A phoenix will rise(RISE!!!)
(RISE!!!)This is our time to...
A time to hold on
Our light will shine through...
A phoenix will riseThis is our time to...
A time to hold on
Our light will shine through...
A phoenix will rise(RISE!!!)
