The Disco Biscuits

[Distorted words]I'm on the outside looking in
I'm on the outside looking in
I'm on the outside looking in
I'm on the outside looking inStop I wanna breathe
Stop I wanna breathe
Stop I wanna breathe
Stop uh uhMake it stop I wanna scream
Make it stop I wanna breathe
Fields of green I used to see
Im on the outside looking inI'm on the outside looking in
I'm on the outside looking inDaydreams make the sparks
Storing fireflies in the dark
Poking holes in the sky like starsI shrink as the world grows
Stabbed and they come to collect your soul
Connecting outside
And let it goThe air is here it's in my lungs
[Not Understandable]
I light another soon we'll see
That I am you and you are me
Change the time its just on the clock
Reverse the time until it stops
Before the world explodes to dust
And we all don't give a fuckI'm on the outside looking in
I'm on the outside looking in
I'm on the outside looking in
I'm on the outside looking inMake it stop I wanna scream
Wake me up out of this dream
Fields of green I used to see
Im on the outside looking in
