

Embryodead

:Wumpscut:

"ier Sind Doch Irgendwo Kinder Versteckt Ich Wittere Sie Ich Werde Sie Aufspren Wenn Meine Nase Mich
Nicht Tuscht Sind Sie Dort Sie Mssen Ganz In Der Nhe Sein Das Spre Ich"

You Are In A Mess Cause This Is The End
God He Cannot Bless Not Leading Your Hand
In Your Mother's Womb You Feel Warm And Safe
That's A Fallacy Cause This Is Your Grave
Do You Want To Feel How Hard It Can Be
Vegetating Flesh Was Always The Fee
For Living In This Pain And In Agony
Til The Devil Comes And Fetches With Glee

Kommt Heraus

Embryodead You Will Go

Mad Let's Ease Your Pain

Embryodead

You Are Condemned Don't Attempt

To Exist In This World Full Of Hate

"Man Braucht Nur Zu Wissen Wo Man Sie Zu Suchen Hat Sie Mssen Ganz In Der Nhe Sein Das Spre Ich Diese
Nase Hat Mich Noch Nie Getuscht In Meinem Leben Noch Nicht Und Wenn Ich Die Kinder Hier Entdecke

Fange Ich Sie In Meinem Netz Und Du Wirst Bestraft"

Do You Want To Feel How Hard It Can Be
Vegetating Flesh Was Always The Fee
For Living In This Pain And In Agony
Til The Devil Comes And Fetches With Glee
You Are In A Mess Cause This Is The End
God He Cannot Bless Not Leading Your Hand
In Your Mother's Womb You Feel Warm And Safe
That's A Fallacy Cause This Is Your Grave

Kommt Heraus

Embryodead You Will Go Mad

Let's Ease Your Pain

Embryodead

You Are Condemned Don't Attempt

To Exist In This World Full Of Hate

"Kinder Euer Hoheit Grssliche Kreaturen Furchtbar Furchtbar Tckisch Auslnder Natrlich"

Child

Do Not Ask Me To Decide
Cause It's Me Who Can Tell You
How Hard It Is To Live
Cause It's Me Who Can Tell You

How Hard It Is To Give
Without Any Reason Without Any Sense
Embryodead
You Will Go Mad
