Sexy Plexi

Jack Johnson

Sexy sexy made up of plexi disasters
Pushing and pulling conservative rolling
Unlike plastic, easier to see through
Just like glass with no ring
Softer and sadder you sing
Sexy sexy do your thing
Learn to be shy and then you can sting
Plexi, plexi bend don't shatter
Once your broken shape won't matterYou're breaking your mind
By killing the time that kills you
But you can't blame the time
'Cause it's only in your mindQuickly quickly grow and then you'll know
It's such and awkward show to see
And everyone you wanted to know
And everyone you wanted to meet
Have all gone away
Oh, they've all gone awayAnd now you're
Breaking your mind
By killing the time that kills you
But you can't blame the time
'Cause it's only in your mind
