All That We Needed (SonyConnect.com)

Plain White T's

If you'd come clean about everything, it would be easy for you, to be sorry.
If you'd see all the possibilities, we might not still be standing where we started.Oh no, don't let me go for this, don't let me go for this.I might be a fool, you might be one too.
Maybe we're all that we needed.
Two wrongs don't make a right, but I don't care tonight.
Maybe we're all that we needed.You'd say we were just a big mistake.
I think it's worth making, worth repeating.
I would say good things come to those who wait,
I would say anything if you'd believe it.Oh no, don't let me go for this, don't let me go for this.I might be a fool, you might be one too.
Maybe we're all that we needed.
Two wrongs don't make a right, but I don't care tonight.
Maybe we're all that we needed.Maybe we're perfect, but not meant to be.
Maybe were more than the light ever seen.
Maybe were not meant to not disagree.
Maybe were crazy baby.If you'd come clean about everything, it would be easy for you, to be sorry.
If you'd see all the possibilities, we might not still be standing where we started.Oh no, don't let me go for this, don't let me go for this.I might be a fool, you might be one too.
Maybe we're all that we needed.
Two wrongs don't make a right, but I don't care tonight.
Maybe we're all that we needed.Two wrongs don't make a right but I don't care tonight. (Maybe were all that we needed.)
Two wrongs don't make a right but I don't care tonight. (Maybe were all that we needed.)
