

Give Myself To You

Train

When I find out who I am
I'm gonna know just what to do
When I pull myself together again
I'm gonna give myself to you Is this forever? This feelin' I've got
Not enough and too much, so free
And cornered and somethin'
And nothin', both at the same time I'm either out of my head
Or I'm out of my mind When I find out who I am
I'm gonna know just what to do
When I pull myself together again
I'm gonna give myself to you Is this forever? This feeling that
I'm not movin' at all and I just
Can't stop it, it's like I'm dreaming
And I'm wide awake too Will you remember me
'Cause I won't forget you? When I find out who I am
I'm gonna know just what to do
When I pull myself together again
I'm gonna give myself to you I guess I was savin' my life for later
Or maybe I should have been givin'
Myself to you, now I will but I got to
Find out who I am before I do, before I do When I find out who I am
I'm gonna know just what to do
When I pull myself together again
I'm gonna give myself to you When I find out who I am
I'm gonna know just what to do
When I pull myself together again
I know, I'm gonna give myself to you I'm gonna give myself to you
I'm gonna give myself to you
