

Wedding Day

Grave Digger

I need you here beside me,
To chase the night sway
I need your love to guide me,
Save through another day Oh, oh, oh it's my wedding
Day, oh, oh, oh Wedding day, all night we
Gonna burn
Wedding day, the day of no
Return
It's my wedding day She's hyperactive and she's a wild romance
I want to kiss her, but she only want to dance
I've waited all the time for you
You've broken promises, I'm just a fool for you
