If You Could See You (Through My Eyes)

Kenny Lattimore

You don't know all the beauty you posses inside
You just can't see what I see in you
I see everything I've needed
I see my reason for breathingYou're the only one who holds my world in their hands
You're everything I amAnd if you could see you through my eyes
You'd see someone beautiful
On the inside and outside
So beautiful, you will know how I feel
You'd see, you'd see how much you mean to meIf you could see you through my eyes
If you could see youYou should know no one else could ever take your place
Don't think I'll ever stop needing you
I need everything about you
Can't see a life lived without youYou're my only heaven
You're my world, you're my dream
You're everything to meAnd if you could see you through my eyes
You'd see someone beautiful
On the inside and outside
So beautiful, you will know how I feel
You'd see, you'd see how much you mean to meIf you could see you through my eyesYou would see, you would see
What you mean, mean to me
You would know
There's no one else I needYou would feel, what I feel
You would know
There's no way to change
This love I have insideAnd if you could see you through my eyes
You'd see someone beautiful
On the inside and outside
So beautiful, you will know how I feel
You'd see, you'd see how much you mean to meIf you could see you through my eyes
You'd see someone beautiful
On the inside and outside
So beautiful, you will know how I feel
You'd see, you'd see how much you mean to meIf you could see you through my eyes
If you could see you, oh through my eyes
If you could see you through my eyes
Oh, through my eyes
