Thank You (Single Edit)

Jamelia

The fights, those nights
I tried to pretend it don't hurt
The way, I prayed
Someday that you will love meReally, completely
Just how I wanted it to be
But no, so wrong
Can't believe I stayed with you so longYou hit, you spit, you split
Every bit of me, yeah
You stole, you broke, you're cold
You're such a joke to me, yeahFor every last bruise you gave me
For every time I sat in tears
For the million ways you hurt me
I just wanna tell you thisYou broke my world
Made me strong, thank you
Messed up my dreams
Made me strong, thank youMy head, near dead
Just the way you wanted it
My soul, stone cold
'Cos I was under your controlSo young, so dumb
Knew just how to make me succumb
But I understand
To make yourself feel like a manYou hit, you spit, you split
Every bit of me, yeah
You stole, you broke, you're cold
You're such a joke to me, yeah, thank youFor every last bruise you gave me
For every time I sat in tears
For the million ways you hurt me
I just wanna tell you thisYou broke my world
Made me strong, thank you
Messed up my dreams
Made me strong, thank you
Thank you, thank youYou coulda had it all, babe
It coulda been so right
I woulda given you everything
Mornin' through nightYeah, you taught me some lessons
Those are my blessings
That won't happen again
Thank youFor every last bruise you gave me
For every time I sat in tears

For the million ways you hurt me
I just wanna tell you thisYou broke my world
Made me strong, thank you
Messed up my dreams
Made me strong, thank you
Thank you, thank you, thank you
