

So Blonde

EMA

Living underground like I don't know what to see
Balancing my mind, 27 again
I was alone in the city
I was alone So let me tell you 'bout this girl I know
(She's so blonde!)
Her hands are shaking in a band
(She's so blonde!)
And has a song of all the things I said
(She's so blonde!)
And took a misery to me Living with the rats, I couldn't seem to move
Not even inching out, just what I was trying to prove
I was alone in the city
I was alone
So let me tell you 'bout this boy I know
(He's so blonde!)
He's got a reach and a tattoo
(He's so blonde!)
He's gonna act like he's a sailor
(He's so blonde!)
And leave it up to you to prove Shame, yeah yeah
(Shame, yeah
Shame So let me tell you about this girl I know
(She's so blonde!)
She'll introduce you to the band
(She's so blonde!)
You want a lover and you don't know
(She's so blonde!)
I think she saw it coming, yeah
So let me tell you about this boy I know
(He's soooo blonde!)
He's changing in a band
(He's so blonde!)
He wants to go with her after the show
(He's so blonde!)
You know he's never coming back
(So blonde!)
