

War Inside My Head

Dream Theater

Napalm, napalm, napalm showers
Showed the cowards
We weren't there to mess aroundHeat exhaustion
Mind distortion
A military victory
Mounted on innocent groundHearing voices from miles away
Saying things, never said
Seeing shadows in the light of the day
Waging a war inside my head
War inside my headYears and years of
Bloodshed and warfare
Our mission was only to get in and killA free vacation
Of palm trees and shrapnel
Trading innocence
For permanent psychotic HellHearing voices from miles away
Saying things, never said
Seeing shadows in the light of the day
Waging a war inside my headFeeling strangers staring my way
Reading minds, never read
Tasting danger with each word I say
Waging a war inside my head
