

If You Ever Have Forever In Mind

Vince Gill

You're climbing mountains, I'm on the hill
You're always running, I'm standing still
You live for the moment, no future no past
I may be a fool to love by the rules, I want it to lastIf you ever have forever in mind
I'll be here and easy to find
If your heart isn't ready to lay down with mine
If you ever have forever in mindMusic has ended still you want to dance
I know that feeling, I can't take the chance
You live for the moment, no future no past
I may be a fool to love by the rules, I want it to lastIf you ever have forever in mind
I'll be here and easy to find
If your heart isn't ready to lay down with mine
If you ever have forever in mind
