Still Into You

Dylan Brady

Can't count the years on one hand that we've been together
I need the other one to hold you
Make you feel, make you feel better
It's not a walk in the park to love each other
But when our fingers interlock,
Can't deny, can't deny, you're the worth it
'Cause after all this time
I'm still into you
I should be over all the butterflies but I'm into you, I'm into you
And even baby our worst nights
I'm into you, I'm into you
Let 'em wonder how we got this far,
'Cause I don't really need to wonder at all
Yeah, after all this time
I'm still into you
Recount the night that I first met your mother
And on the drive back to my house I
Told you that, I told you that I loved ya
You felt the weight of the world fall off the shoulder
And to your favorite song we sang along, to the start of forever
And after all this time
I'm still into you
I should be over all the butterflies but I'm into you, I'm into you
And even baby our worst nights
I'm into you, I'm into you
Let 'em wonder how we got this far,
'Cause I don't really need to wonder at all
Yeah after all this time
I'm still into you
Some things just, some things just make sense
And one of those is you and I
Some things just, some things just make sense
And even after all this time
I'm into you
Baby not a day goes by that I'm not into you
I should be over all the butterflies but I'm into you, I'm into you
And even baby our worst nights
I'm into you, I'm into you
Let 'em wonder how we got this far,

'Cause I don't really need to wonder at all
Yeah after all this time
I'm still into you
I'm still into you
I'm still into you
