

If Love Had A Heart

Rose Falcon

I wouldn't be here tonight with my head in my hands

Trying to hold back the tears again

I wouldn't be missing you

You wouldn't be gone

No, i wouldn't by trying to find a way to be strong

Chorus:

If love had a heart

It wouldn't say goodbye

Wouldn't be so cruel, so damn unkind

If love had a heart, then it wouldn't break mine

If love had a heart, then it wouldn't break mine

No I wouldn't have heard that you found someone else

Or be looking in the mirror and hating myself

I wouldn't be losing sleep, I wouldn't be up

All night burning all of these pictures of us

Chorus

Why did you have to make me fall so deep

Give me something that I couldn't keep

Lift me up and then let me down so hard

Repeat Chorus
