

Love Walked In

Ernie Haase & Signature Sound

Wayne Haun

Jeff BumgardnerVERSE

Caught in sin they brought her in

To get what she deserved

With stones in hand religious men

Stood there judging her

Each tear told the story

Of regret upon her face

But when it seemed all hope was lost

And death was on the wayCHORUS

Love walked in

And chased all fear away

The champion

Showed up and saved the day

They never saw it coming

it seemed like the end

But, Love walked inVERSE

The law was clear that all who hear

The sound of music ring

Should each adore and bow before

An idol of the King

When three Hebrew children

Said they would serve the Lord

A furnace was their punishment

but as they closed the door
