

# Girlfriend

## No Authority

I want you to be my girlfriend  
I want you to be my girlfriend I want to show you how I feel  
Won't you be my girlfriend?  
I want to tell you how much you mean  
Won't you be my girlfriend? I see you walking in the high school halls  
In the classroom two seats across  
Away from me, baby, can't you see?  
You're the kind of girl that the guys fall for  
The kind of girl that you can't ignore  
But I'm the one who really wants you, girl I want to show you how I feel  
Won't you be my girlfriend?  
I want to tell you how much you mean  
Won't you be my girlfriend? Her smile is brighter than the sun in June  
We'll get together like a bride and groom  
Girl, I need you as my baby  
Our love will grow like a flower in bloom  
We'll be as one like a song in tune  
Girl, you should be the only one for me I want to show you how I feel  
Won't you be my girlfriend?  
I want to tell you how much you mean  
Won't you be my girlfriend? You should be my only girlfriend I want to show you how I feel  
Won't you be my girlfriend?  
I want to tell you how much you mean  
Won't you be my girlfriend?
