

# Come Back When You Grow Up (Re-Recorded)

**Bobby Vee**

Come back when you grow up, girl  
You're still livin' in a paper-doll world  
Livin' ain't easy, lovin's twice as tough  
So come back, baby, when you grow up  
You look real good like a woman now  
Your mind hasn't gotten the message somehow  
So if you can't take it 'n' the goin' gets rough  
Come back, baby, when you grow up  
I want you girl but your wide-eyed innocence  
Has really messed up my mind, yeah  
I'd rather you get your very first heartbreak  
Somewhere else along the line  
Come back when you grow up, girl  
You're still livin' in a paper-doll world  
Some day be a woman ready to love  
Come back, baby, when you grow up
