Necessary Evil

Body Count

Necessary evilLook outside my window I still see a fucked up world

Waking up to helicopter and car alarms

Does this happen where you live?

Gunshots sound in my my mind I don't flinch anymore

When I see niggas in my hood they're holdin' their dicks tightYo, fuck my landlord I'm a step away from

clearing this shotgun

To erase the problem does this happen where you live?

Just had steak and lobster last night now I gotta rob a liquor store

But it seems so normal because it's necessary evilCar hit my dog, babies die

Raped in a stairwell, cop killed a little girl

Armed robbery, shooter of a drive-by

Smokin' can, sellin' joints in jr high

Head from a minor, sex with animals

Butt hole surfers, a fucked up rehearsal

Lost pawn ticket, wrecked my father's

Car can't pay my school loanMajor jack move, holy underwear

Stuck in the pen, forced in a gang

Plain wrapped food, fucked up presidents

Sleepin' through trash day

Hit a police car, gettin' laid off

Gotta pay taxes, gridlock traffic

Jealous motherfuckers, bitch tried to do me

Hit and run, I got a fat bitch pregnantNecessary evilLittle white kid with a cool-aid smile training wheels on his bike thought

He called me a nigga pushed that little bastard in traffic so graphic

He was holdin' his bike tight he was a victim of fucked up explaining

An American example of fucked training when the fuckin' bus connected

He flew like Knievel I was just necessary evilCar hit my dog, babies die

Raped in a stairwell, cop killed a little girl

Armed robbery, shooter of a drive-by

Smokin' can, sellin' joints in jr high

Head from a minor, sex with animals

Butt hole surfers, a fucked up rehearsal

Lost pawn ticket, wrecked my father's

Car can't pay my school loanMajor jack move, holy underwear

Stuck in the pen, forced in a gang

Plain wrapped food, fucked up presidents

Sleepin' through trash day

Hit a police car, gettin' laid off

Gotta pay taxes, gridlock traffic Jealous motherfuckers, bitch tried to do me Hit and run, I got a fat bitch pregnantNecessary evil
