

# Marching To Mars

[Sammy Hagar](#)

Here we go marching to Mars  
On a rainbow bridge it doesn't seem so far  
Steppin' into our universe moving towards life  
To solve the problems on Earth  
Marching to Mars  
Everybody's marching to Mars  
Gonna settle down there  
Get me a house and a car  
Save each other from ourselves  
Poke our heads out of the sand sayin' here I am  
Marchin' to Mars, we're marchin' to Mars  
Hollywood's marching to Mars  
For a grand new movie with some brand new stars  
Plastered on the silver screen  
Gonna bring it on home so you won't have to leave

Is there life in the universe  
Yeah, there's life in the universe  
We'll find God in the universe  
We'll find God but we'll find life first  
Marchin' to Mars, marchin' to Mars  
We're marchin' to Mars,  
Marchin' to Mars  
We'll find God in the universe  
We'll find God but we'll find life first  
We'll find life in the universe  
Is there life in the universe  
Yeah, there's life in the universe  
We'll find life in the universe  
Yeah, marchin' to Mars, marchin' to Mars
