

Get Away

Georgie Fame

I'm feeling the strain of getting nowhere again
Of living my life in the fast lane
And I'm feeling so tired, dreaming in vain
And watching my hopes in flamesI got to getaway
I got to getaway from the madness, yeah
I got to getaway
I got to getaway by myself
I got to getaway from the takers and the soap opera scenes
Now I got to getaway from the fakers who try so hard to please
Getaway from the city life and all the charade
Now I got to getaway from the busy life and all the masquerade
Getaway, I got to getaway from hereIn the darkest of hours when the world is asleep
I lay here and wonder what's in store for me
'Cause you say that you want me and then you say that you don't
Today I believe you need me, probably tomorrow I think you won'tI got to getaway
I got to getaway from the madness, yeah
I just got to getaway
I got to getaway by myself
I got to getaway from the takers and the soap opera scenes
I got to getaway from the fakers who try too hard to please
Getaway from the city life and all the charade
Now I got to getaway from the busy life and all the masquerade
Getaway, I got to getaway from hereCome this time tomorrow I'll be far from here
I'm gonna find me a mountain, gonna breathe the air
I'm gonna shake off the sorrow, gonna shake off the gloom
I'm gonna leave behind the sadness, I'm gonna be better soonBut now I got to getaway
I got to getaway from the madness and lies
I got to getaway
I got to getaway by myself, ooh
I got to getaway from the takers and the soap opera scenes
I got to getaway from the fakers who try too hard to please
Getaway from the city life and all the charade
Now I got to getaway from the busy life and all the masquerade
Getaway, I got to getaway from here
