Bedtime Stories

Toxic Lab Rats

I don't wanna wake up in an empty bed
Thinking about the things you said
The moment you slammed the door
And I don't wanna walk into an empty room
To find out you're not there
That would tear my soul for sure

I ain't gonna ask you to explain
But if you have to roll the dice I just want to let you know
I will never ask you to change your ways
I will never turn my back on you
Never tell you things not true

'Cause I don't wanna tell you no bedtime stories
Bedtime stories about us
And I don't wanna promise you hope and glory
This is my story
I wish you were here with me

Hey baby think about what I said
And tell me that you feel the same
Our life, our love
Sure there are things about me that's not ok
Maybe you can help me out
To find a way

But I don't wanna tell you no bedtime stories
Bedtime stories about us
And I don't wanna promise you hope and glory
This is my story
I wish you were here with me

I know I'll change
I will I promise you that
If you don't roll the dice
You won't wake up in an empty bed

Cause I don't wanna tell you no bedtime stories
Bedtime stories about us
And I don't wanna promise you hope and glory

This is my story
I wish you were here with me
