I Believe

David Hasselhoff

In a moment of crisis
You have to believe in yourself
Though you may be frightened
You know there is nobody else
You're a survivor, you'll be a hero for sureI believe, there is a moment
I believe, there is a time
I believe, there is a mountain
I believe, we must climbI believe, there is a reason
I believe, there is a place
I believe, there is a challenge
We must face face to faceThe sound of the siren is singing
Cover your ears
The voice that's inside
Is the only one you need to hear
Hold your self steady don't deviate from your heartI believe, there is a moment
I believe, there is a place
I believe, there is a challenge
We must face face to faceThis is the moment, I will not fail
This is the moment, I will prepareIf you stay true to your heart
You're equal to allI believe, this is the moment
I believe, this is the time
I believe, this is the mountain
I believe, we must climbI believe, this is the reason
I believe, this is the place
I believe, this is the challenge
We must face face to face
