Two Times

Ann Lee

Some many mind
Watcha gonna do
Easy gone
Come the way you go
I never find
What I'm looking for
Easy gone
Darling gimme more...
Two times
Three times
Two times
Three times, eh!
So don't you mind
Watcha gonna do
Easy gone
Come the way you go
I never find
What I'm looking for
Easy gone
Darling gimme more...
Two times, oh yeah
Three times, uhh
Two times, mmh
Three times
So many mind
Watching looking for
Easy gone
Lettin' door open you now
Easy gone
Darling gimme more...
Two times
Dudududu...
Don't you are mine
But I'm looking for
Wont you just look behind
And we'll give you more
Oh until the end and now see you thru
Baby you have gotta friend
To take you right into the blue...

Two times
Three times
Two times, ahhh
Three times, uhh
Two times (Two times two more)
Three times (Three times more and more)
Two times
Three times
Dudududu...
