

# Changes

**Hugh Laurie**

Everyone is facing changes  
No one knows what's going on.  
And everyone is changing places  
Still the world keeps moving on. Love must always change to sorrow?  
And everyone must play the game,  
Because it's here today and gone tomorrow  
Still the world goes on the same. Love must always change to sorrow  
And everyone must play the game,  
Because it's here today and gone tomorrow  
Still the world goes on the same. It's here today and gone tomorrow  
Still the world goes on the same.
