

Bullprick (Alternate Version of "FFF")

Megadeth

Pounding in my teeth
Hydraulics on the move
Kicking in my face
Savage bucking mulePummeling my soul
100 tons of lead
Trampled under foot
Steamrollers on my headCrushing down, caving in my will to live
I'd rather be dead, scream insane
To have the bullprick split their guts
Make them pay make them bleedOn your backs, in your face
Down your throats, up your ass
Bullprick!Pulverizing flesh, broken bones the aftermath
Can't escape the war, the war machine path
All become one, flattening the streets
Cry for absolution, splitting at the seamsCrushing down, caving in my will to live
I'd rather be dead, scream insane
To have the bullprick split their guts
Make them pay make them bleedOn your backs, in your face
Down your throats, up your ass
Bullprick!On your backs, in your face
Down your throats, up your ass
Bullprick!
