

# Baddest Chick

Alesha Dixon

I'm gone, so numb  
Tryna getcha some, couldn't get a crumb  
You know what I want, even if when you don't  
Imma give it to you anyway you want  
Want, want, look don't stare  
Give it to me now, yeah yeah yeah  
You don't give a fuck, I don't really care  
Put one in the air Spin my body round, like a merry go  
Round n round n round, just can't get enough  
Get it get it up, turn my body on  
You got what I want  
Got a problem, you're the antidote  
Give it to me now, it's okay  
Getti getti up, turn my body on  
I got what you need [Chorus]  
You're looking at the baddest chick in the building  
Don't show love and I don't catch feelings  
Shine all day, play all night  
I could pimp a guy, that's what I feel like  
That's what I feel like, feel like  
That's what I feel like, feel like  
That's how I feel  
Feel like, swear I feel  
Like the baddest chick in here's right here. Come rude boy crash into my bumper  
What it do boy, move your  
body closer  
Oh oh oh, gimme that yeah, yeah  
'Till my knees get weak 'n your body drip sweat  
Yeah, A play no games. flip your wig boy go insane  
Go go stupid, loco, whatever  
You already know it's whatever Spin my body round, like a merry go  
Round n round n round, just can't get enough  
Get it get it up, turn my body on  
You got what I want  
Got a problem, you're the antidote  
Give it to me now, it's okay  
Getti getti up, turn my body on  
I got what you need [Chorus] Baddest the slickest no I was never the richest  
We're dealing strictly with business  
So you can call me the fittest

I'm turning dreams into winning  
So I'm determined to finish  
You looking at the baddest chick on the scene[Chorus]
