

O Green World

Gorillaz

O green world, don't desert me now
Bring me back to fallen town
Where someone is still alive Fighting for something new in this
When no one needs the heart of me and I'll
Get out somewhere other than me before Than me before O green world, don't deserve me now
I'm made of you and you of me
But where are we? Oh no Sells to lie from the darkest stars
Suppose you down when you're in fast
'Cause it seems so little to you But now you're in love, you know
You know, me too, you know, me too
I hope sex and drugs rust into my self
Holy, it feels holy It feels like you're with your father
In the place you love
