

Satellite Of Love (Originally by Lou Reed)

Morrissey

Satellite's gone up to the skies
Thing like that drive me out of my mind
I watched it for a little while
I cannot stand the TVSatellite of love
Satellite of love
Satellite of love
Satellite ofSatellite's gone way up to Mars
Soon it will be filled with parking cars
I watched it for a little while
I cannot stand the TVSatellite of love
Satellite of love
Satellite of love
Satellite ofI've been told that you've been happy
With Harry, Mark and John
Monday, Tuesday, anyday but Thursday
With Harry, Mark and JohnSatellite's gone up to the skies
Thing like that drive me out of my mind
I watched it for a little while
I cannot bear the TVSatellite of love
Satellite of love
Satellite of love
Satellite ofSatellite of love
Satellite of love
