

# New Year's Day

## Black Veil Brides

On the graves of the ones remembered  
In a desert we call home  
All the slaves of the cold December  
Find a voice to call their own Stand up we are united  
In the eyes of the greatest storm  
Line up we are ignited  
This world will be reborn in  
Five, four, three, two, one This is new year's day  
So rise from the ashes  
Faith will find a way  
Like lightning crashes We'll keep marching on and on and on  
It's new year's day  
So rise from the ashes Ring a bell so the serpent hears us  
Let her know that we're tried and true  
No the beasts, they won't get near us  
And we're not scared of you Light 'em up now  
Start the count down in  
Five, four, three, two, one  
Let's go! This is new year's day  
So rise from the ashes  
Faith will find a way  
Like lightning crashes  
We'll keep marching on and on and on It's new year's day  
So rise from the ashes Let the eagle fly  
Freedom in the night  
Let the eagle fly  
Legends never die Five, four, three, two, one This is new year's day  
So rise from the ashes  
Faith will find a way  
Like lightning crashes We'll keep marching on and on and on  
It's new year's day  
So rise from the ashes Ooh  
So rise from the ashes
