Lydia Loveless

You take a walk, I'd rather be lonely than ashamed
Of all the girls who think they know your name
Us dirty uptown girls are all the same
No one but me knows you can't be replacedMarry me, there's nowhere in the world I'd rather be
Marry me, there's nowhere in the world I'd rather be
Don't even look up when the waves get ten feet tall [You don't look up when you walk down the hall]
You're so disinterested trying to make a call
Listen, I know who I am and I can be like that again
If you only knew me more, gotta believe me when I sayMarry me, there's nowhere in the world that I'd rather be
Marry me, there's nowhere in the world that I'd rather be
