Mother

The Orbans

Mother Tell your children not to walk my way Tell your children not to hear my words What they mean What they say Mother Mother Yeah, can you keep them in the dark for life Can you hide them from the waiting world Oh mother Father I'm gonna take your daughter out tonight I'm gonna show her my world Oh father Not about to see your light But if you wanna find hell with me I can show you what it's Till you're bleeding Not about to see your light And if you wanna find hell with me I can show you what it's Mother Tell your children not to hold my hand Tell your children not to understand Oh mother Father Do you wanna bang heads with me Do you wanna feel everything Oh father Not about to see your light And if you wanna find hell with me I can show you what it's like Till you're bleeding Not about to see your light And if you wanna find hell with me I can show you what it's Yeah Not about to see your light But if you wanna find hell with me

I can show you what it's like Till you're bleeding Not about to see your light And if you wanna find hell with me I can show you what it's like Yeah, yeah Mother, more
