Olivia

One Direction

[Verse 1]
Remember the day we were giving up
When you told me I didn't give you enough
And all of your friends were saying I'll be leaving you
She's lying in bed with my t-shirt on
Just looking [?] body wrong
This isn't the stain of a red wine, I'm bleeding love[Pre-Chorus: Liam]
Please believe me, don't you see
The things you mean to me?
Oh I love you, I love you
I love, I love, I love Olivia[Chorus: Harry]
I live for you, I long for you, Olivia
I'll [?] the light in your eyes, Olivia
I live for you, I long for you, Olivia
Don't let me go
Don't let me go[Verse 2: Liam]
See what you mean and then say it now
Cause I get the feeling you're walking out
And time is irrelevant when I've not been seein' ya
The consequences are falling now
It's something I'm having nightmares about
And these are the reasons I'm crying out to be with you[Pre-Chorus: Liam]
Please believe me, don't you see
The things you mean to me?
Oh I love you, I love you
I love, I love, I love Olivia[Chorus: Harry]
I live for you, I long for you, Olivia
I'll [?] the light in your eyes, Olivia
I live for you, I long for you, Olivia
Don't let me go
Don't let me go[Bridge: Harry]
When you go and I'm alone
You live in my imagination
The summertime and butterflies
All belong to your creation
I love you, it's all I do
I love you[Chorus: All]
I live for you, I long for you, Olivia
I'll [?] the light in your eyes, Olivia

I live for you, I long for you, Olivia
Don't let me go
Don't let me go
Don't let me go
