

We Have All the Time In the World

The Puppini Sisters

We have all the time in the world
Time enough for life to unfold
All the precious things love has in store We have all the love in the world
If that's all we have
You will find we need nothing more Every step of the way will find us
With the cares of the world far behind us Every step of the way will find us
With the cares of the world far behind us We have all the time in the world just for love
Nothing more, nothing less, only love
