## Anthrax

She'll always be there tryin' to grab a hold  
She thought she knew me but she didn't know  
That I was sad and wanted her to goParasite lady  
Parasite eyes  
Parasite lady  
No need to cryI didn't wanna have to get away  
I've told her things I didn't want to say  
I need her and I hope she'll understandParasite lady  
Parasite eyes  
Parasite lady  
No need to cry
