Montage

Mito

The hours approaching, just give it your best
And you've got to reach your prime
That's when you need to put yourself to the test
And show us a passage of timeWe're gonna need a montage
(Montage)
Ooh it takes a montage
(Montage)Show a lot of things happing at once
Remind everyone of what's going on
(What's going on?)
And with every shot you show a little improvement
To show it all would take to longThat's called a montage
(Montage)
Oh we want montage
(Montage)And anything that we want to go
From just a beginner to a pro
You need a montage
(Montage)
Even rocky had a montage
(Montage)Montage
MontageAnything that we want to go
From just a beginner to a pro
You need a montage
(Montage)
Ooh it takes a montage
(Montage)Always fade out in a montage
If you fade out, it seem like more time
Has passed in a montage
Montage
