Black Iron Prison

Today Is the Day

Like a dream...
She comes...
Hard...
I can't see...
I think I'm blind...
No sensation...
Life is no fun...[x4]
This is my test...
I tried not to hurt you,
To make it be alright,
My words can't cut through,
I think I need a knife.
I tried not to hurt you,
I HATE TO BE ALIVE!I am the serpent...
Serenity...
