

Something About The Way You Look Tonight

Elton John

There was a time I was everything and nothing all in one
When you found me I was feeling like a cloud across the sun
I need to tell you how you light up every second of the day
But in the moonlight you just shine like a beacon on the bay
And I can't explain but it's something about the
way you look tonight
Takes my breath away it's that feeling I get about you, deep inside
And I can't describe but it's something about the way you look tonight
Takes my breath away the way you look tonight
With you smile, you pull the deepest secrets from my heart
In all honesty I'm speechless and I don't know where to start
And I can't explain but it's something about the
way you look tonight
Takes my breath away it's that feeling I get about you, deep inside
And I can't describe but it's something about the way you look tonight
Takes my breath away the way you look tonight
And I can't explain but it's something about the way you look
tonight
Oh takes my breath away it's that feeling I get about you, deep inside
And I can't describe but it's something about the way you look tonight
Takes my breath away the way you look tonight
The way you look tonight
The way you look tonight
