

I'm Gonna Be Your God

Slayer

Come on So messed up, I want you here
In my room, I want you here
Now we are gonna be face to face
And I lay right down in my favorite place Now I wanna be your dog
Now I wanna be your dog
Now I wanna be your dog
Now I wanna be your dog I wanna be your dog Come on Now I'm ready to close my eyes
Now I'm ready to close my mind
Now I'm ready to feel your hand
And loose my heart in the burning sand Now I wanna be your dog
Now I wanna be your dog
Now I wanna be your dog
Now I wanna be your dog
