Captivate (Beauty In the Broken Album Version)

Starfield

You say, strength is found in weakness
Peace in incompleteness
So why do I hold on?You look, for a heart that's open
For beauty in the broken
So why am I withdrawn?My soul's screaming out
To be found in YouSpirit draw me to my knees
Captivate all of me, all of me
Here before You honestly
Captivate all of me, all of meI'm so messy and distracted
Undisciplined and tactless
Here on the insideI thought age would tell the secrets
But the secrets are still secret
And the years are passing byMy soul's screaming out
To be found in YouSpirit draw me to my knees
Captivate all of me, all of me
Here before You honestly
Captivate all of me, all of meTeach me to wait in the moments of my need
Teach me to hear the melodies of peaceSpirit draw me to my knees
Captivate all of me, all of me
Here before You honestly
Captivate all of me, all of meSpirit draw me to my knees
Captivate all of me, all of me
Here before You honestly
Captivate all of me, all of me
