Anubis

Nik Turner's Sphynx

Come, approach
My trusty jackal's nose
Don't try to lie, 'cause I can smell your hide
Leave your body, leave this body now
Your face can stay upon this golden mask you made

The brave in heart can claim eternal life
My scales of truth will need sufficient proof
The balance depends on how your soul weighs
To walk with gods, the jaws of choas you must pass

Anubis
My soul is so light, and as this feather I can fly

Anubis
Don't let me wither and die

I am proud of who I am
The guardian of the dead
Appointed by the gods to be their final judge

Anubis
Don't let me wither and die
