Peaceful Feeling

Sheryl Crow

Making the best of the situation
Building a house on a strong foundation
Everybody wants to feel alright
When you fly off in the wrong direction
Turn it around, see your own reflection
Everybody wants to feel alright
Let's dance to the music, baby
Let's dance 'til your troubles fade away
Let's dance in the summer breeze
I wanna dance 'til my spirit's free
Give me that
Free, peaceful feeling
Give me that
Free, peaceful feeling
Everyday and every night
Looking around, you miss your own damn life
Everybody wants to feel alright
Let's dance to the music, baby
Let's dance 'til your troubles fade away
Let's dance in the summer breeze
I wanna dance 'til my spirit's free
Free, peaceful feeling
Give me that
Free, peaceful feeling
Give me that
Free, peaceful feeling
I can see peace in the city
I can see peace in the nation
No matter who is leading
There will be peace and salvation
