

# Candy

## Tom Petty & The Heartbreakers

I sure like that candy  
I don't go for them turnip greens  
I sure like that candy  
I don't go for them turnip greens  
So when you put it on the table  
Oh, mama, think about me Yeah Well, I don't drink Coca Cola  
But I sure like the ol' moonshine  
Well, I don't drink coca cola  
But I sure like the ol' moonshine  
Yeah, we drink it from a fruit jar  
With my little baby by my side Alright Well, I don't much like walkin'  
But I love my Eldorado ride  
I ain't never cared a thing about walkin'  
But I love my Eldorado ride  
Yeah, we run it around the cornfield  
With my little baby by my side Yeah, we do I sure like that candy  
I don't go for them turnip greens  
I sure like that candy  
I don't go for them turnip greens  
So when you put it on the table  
Oh, mama, think about me Alright I sure like that candy  
I sure like that candy  
I sure like that candy  
Oh, mama, think about me  
Alright  
Mama, think about me
