New Wave Girl

Nerf Herder

Going back in time
To another world
Gonna find that place
I'm gonna find that girlDon't wanna a hippy chick
Or disco queen
'Just want the girl
From the 1983I wanna a new wave girl,
I wanna a new wave girl,
Oh, oh, I want a new wave girl,
New wave girl,
I want a new wave gi-i-irl,
Oh, oh, I want a new wave girlDon't know what I'm gonna do,
Without that girl from '82
Oh, oh, I want a new wave girlClub sigarets
Heaven 17
Cool places tonight
O.M.D.

My MTV
'Cause the real world
I don't wanna seeI wanna a new wave girl,
I wanna a new wave gi-i-irl,
Oh, oh, I want a new wave girl,
New wave girl,
I want a new wave gi-i-irl,
